

Passholders

Non-residents of Piney-Z may, for payment of an annual fee equal to the then current annual Operation and Maintenance (General Fund) assessment, use the amenities on the same terms as residents, except that they may not participate in functions planned by the residents or staff of Piney-Z for Piney-Z residents.

For fiscal year 2019, the passholder fee is \$522.79, and entitles the payer and members of his/her household to use, for a period of 12 months, the facilities according to the Rules adopted by the Community Development District (CDD). The CDD, which operates the amenities, does not offer monthly or pro-rated memberships.

Registration and payment should be completed in the office of the CDD Manager, located in the lodge at 950 Piney-Z Plantation Road, Tallahassee.
